Subject : Acknowledgment of Purchase a New Machine

Dear Sir,

We refer to our application regarding the confirmation letter for exemption (SPM) for our newly purchase Sheeter Machine at our facility.

We would like to inform you that the sheeter machine is not subject to registration with the Department of Occupational Safety and Health (Dosh), as it does not fall under categories regulation by DOSH. (I.e : pressure vessels, steam boilers, lifting machinery and lift). As such, we are unable to provide a DOSH certification for this machine.

Should you require any supporting documents such as technical specifications or brochures, we are prepared to provide them upon request.

We thank you for your attention and look forward to your favorable consideration.

Yours faithfully.
